## ***ACOUSTIC IN CONCERT***

~DVD+CD AND DIGITAL RELEASE - JUNE 16, 2017~

New York, NY (April 6, 2017)-- On June 16, 2017, **Eagle Rock Entertainment** will release ***Acoustic In Concert*** by **Simple Minds** on DVD + CD and digital formats [MSRP \$19.98]. This wonderful collection of re-tooled classics follows the release of last year's acclaimed *Acoustic* album and includes: "Alive And Kicking", "Don't You (Forget About Me)", "Glittering Prize", "Waterfront", "Promised You A Miracle", "Sanctify Yourself", "See The Lights", and more.

On the eve of the album's release, in November 2016, **Simple Minds** took to the stage of London's famous Hackney Empire to perform a special show for BBC Radio 2's renowned "In Concert" series. The band performed re-imagined acoustic versions of some their greatest hits and best-loved tracks along with cover versions of some of the songs that influenced them including a stunning finale of "Make Me Smile (Come Up And See Me)" which sees them joined by **Steve Harley**. This is **Simple Minds** as you've never seen them before!

**Simple Minds** prove once again that they are a class act, with hit after hit given a fresh twist that allows them room to breathe and the melodies to shine through. ***Acoustic In Concert*** is a must for any fan of this remarkable band.
