Rolling With the Stones: How the Legendary Band Is Rocking Fall

The **Rolling Stones** always seem to have the energy to entertain and impress, and this fall is no exception. In October, **Mick Jagger, Keith Richards, Charlie Watts** and **Ronnie Wood** can be found on **tour** in California and Nevada with **two highly anticipated shows** on October 19 and 22 in Las Vegas at the new **T-Mobile Arena**.

Can't make it to the Strip? You can get an almost-in-person dose of the Stones in November. Witness their March 2016 Havana concert captured by award-winning film director **Paul Dugdale** via the The Rolling Stones **Havana Moon** (release on November 11, 2016, by Eagle Rock Entertainment) on DVD+2CD, **Blu-ray+2CD**, **DVD+3LP**. There's also a special Deluxe Edition.

Catch a glimpse of The Rolling Stones and Havana Moon.
