**Madonna** announced her new concert film, *Rebel Heart Tour*, will be released September 15th. The live film originally **premiered on Showtime** in December 2016 and was taped during Madonna's Sydney, Australia concerts in March 2016.

The film includes bonus content such as live and behind-the-scenes unreleased footage. The career-spanning set list featured hits from throughout Madonna's discography, as well as reinterpreted renditions of classic tracks, acoustic versions of "Like A Prayer," "Secret" and "Don't Tell Me" and her **first ever in-**

concert performances of "Take a Bow."

Madonna fan Aldo Diaz designed *Rebel Heart Tour*'s cover art, while the singer's frequent collaborators Danny Tull and Nathan Rissman co-directed the film. *Rebel Heart Tour* will be released as a digital download, DVD/Blu-ray and a standalone CD featuring highlights from the concert
