The Moody Blues' Justin Hayward Unveils Details About Upcoming Solo Concert Video and Album

Full details have been announced about the recently reported video and album documenting a solo performance by **Moody Blues** frontman **Justin Hayward**. *Spirits...Live* -- *Live at the Buckhead Theatre, Atlanta* captures the singer/guitarist in concert last August at the end of a tour in support of his 2013 album, *Spirits of the Western Sky*.

The release, which will hit stores on August 17, will be available on DVD, Blu-ray, CD and on downloadable audio and video. *Spirits...Live* includes performances of six songs from *Spirits of the Western Sky*, as

well as versions of Moody Blues classics like "Nights in White Satin," "Tuesday Afternoon," "Question" and "Your Wildest Dreams." In addition, the set features renditions of a number of Moodies gems that the band rarely plays live, such as "Land of Make Believe," "New Horizons," "It's Up to You" and "Lovely to See You."

The video versions of *Spirits...Live* also contains a behind-the-scenes featurette offering candid footage of Hayward and his backing group on the 2013 trek -- young guitar whiz **Mike Dawes** and keyboardists/backing singers **Alan Hewitt** and **Julie Ragins**.

Hayward recently wrapped up another solo outing promoting *Spirits of the Western Sky*, and later this summer he'll hit the road with The Moody Blues for a [North American tour](#) that's mapped out from an August 1 concert in Syracuse, New York, through a September 4-5 stand at the Ravinia festival in Highland Park, Illinois.

Here is the complete track list for *Spirits...Live -- Live at the Buckhead Theatre, Atlanta*:

"Tuesday Afternoon" "It's Up to You" / "Lovely to See You" "In Your Blue Eyes" "The Western Sky" "Land of Make Believe" "New Horizons" "In the Beginning" "One Day, Someday" "The Eastern Sun" "It's Cold Outside of Your Heart" "Your Wildest Dreams" "Forever Autumn" "Question" "Nights in White Satin" "I Know You're Out There Somewhere"
