Buzz Cason will be honored during the Country Music Hall of Fame's Poets and Prophets series on Saturday, July 5 at 1:30 p.m. The interview and performance, which will be held in the Museum's Ford Theater, corresponds with the 10th anniversary of the museum's two-disc compilation *Night Train to Nashville: Music City Rhythm and Blues, 1945-1970*, a set that highlights Nashville's rich R&B scene.
