## Watch Arcade Fire Play "Reflektor" from Newly Announced Concert Film

Arcade Fire's next tour is [reportedly set for November of 2017](#), but in the meantime, fans can experience one of their live performances without leaving the couch. The studio and concert film *Arcade Fire: The Reflektor Tapes/Live at Earls Court* will get a DVD and BluRay release next month.

The set includes *Lemonade* director Kahlil Joseph's documentary [The Reflektor Tapes](#), originally released as a one-night theater-exclusive, along with a full concert recorded at London's Earls Court in 2014. Additionally, the band has shared a clip of their sparkling "Reflektor" performance from *The Reflektor Tapes/Live at Earls Court*, due out Jan. 27. Watch that above.
