Earls Court in 2014

Arcade Fire Arcade Fire have announced a new DVD and Blu-ray, *The Reflektor Tapes / Live at Earls Court*. Out January 27 next year, it's the official release of their 2015 movie *The Reflektor Tapes*, which features interviews, concert footage, and other candid moments from the band. The second disc is *Live at Earls Court*, a new live film recorded during the band's shows at Earls Court in London, during the Reflektor Tour in 2014. Find the setlist from the film below, and watch the film version of "Reflektor."

Arcade Fire are currently working on their follow-up to *Reflektor*; in an interview from the summer, Will Butler teased a possible spring release.
