Talking With Capital Cities' Sebu Simonian, a Chat with Michael Maguire, The Who's *Tommy* Revisited, and the Teacarina

RE-EXPLORING THE WHO'S *TOMMY*

Think you remember The Who's *Tommy*? Well, you might just know more once you take a peek at this exquisite DVD/Blu-ray release of *Sensation--The Story Of Tommy*. The band is behind the Eagle Rock release that contains new interviews with Pete Townshend and Roger Daltrey, archived interviews with John Entwistle, the cultural significance of the project, artwork guru Mike McInnerney, etc. Originally broadcast on the BBC in August 2013, this release also includes untelevised additional

material plus a 33-minute piece on their 1969 *Beat Club* appearance.
